25X1

3. [redacted] and a TSD Officer drove to [redacted] to demonstrate residential security hardware and emergency destruction devices during the CTTC Course. (C)

25X1

4. [redacted] and a TSD Officer participated on 25 February in a Career Trainee developmental exercise at the Chamber of Commerce Building. (C)

5. [redacted] is attending the ISSG Course at the Chamber of Commerce Building for one week. (C)

6. [redacted] has checked in to OSSB and went immediately into the ISSG Course. (C)

7. On 26 February, Chief, Domestic Security Branch attended a meeting of the Inter Agency Advisory Committee on security equipment relative to the establishment of current information on manipulation-resistant combination locks used by the government. (U)

8. In the interest of security, meetings have been initiated with HOME, OC, ODP, and OS in regard to renovations/additions to the Headquarters Building. Although nothing noteworthy has developed as of yet, these meetings will continue on a weekly basis. (U)

9. On 21 February, an incoming package/briefcase inspection was held in Headquarters. There were five incidents of employees returning from their residences with classified material. This abnormally high number is cause for concern and could very well necessitate reissuance of appropriate management notices to all personnel relative to proper care of classified material. (U)
